2015-2016 Civil Engineering Design Electives

Students on the 2015-16 catalog will need to choose from the list below to satisfy their curriculum's Civil Engineering design elective requirement. NOTE: CE 333, 334, and 460 - *These courses may be taken as either 'core'* <u>OR</u> *'elective'* CE classes...BUT they may <u>NOT</u> be counted twice as both a 'core' AND 'elective' on a student's curriculum. The student is responsible for checking and abiding by the ISU catalog relative to official course details, prerequisites, and narratives.
